I. STATEMENT OF PURPOSE

It is essential that the Department maintain a good working relationship with other law enforcement agencies, both adjoining and within the Department's jurisdiction. Agreements between these agencies to provide assistance to each other in the event of natural disaster, mass disorder, or other emergency situations must be established before the need for the mutual assistance arises. The purpose of this section is to establish procedural guidelines that ensure the positive cooperative efforts of all agencies involved.

II. AGENCY JURISDICTION

- A. The boundaries and limits of Department jurisdiction include all areas within the corporate limits of the Village of Los Lunas. However, each commissioned officer of the Department carries a county commission card signed by the Valencia County Sheriff which gives the officer authority to exceed the boundaries of the corporate Village limits when necessary.
- B. An official Village map detailing the Village boundaries is maintained in the Communications Center. In the event a question arises in regards to any specific boundary of the corporate limits of the Village, a prevailing official Village map is maintained at the Village of Los Lunas City Hall.

III. CONCURRENT JURISDICTION

The New Mexico Department of Public Safety and Valencia County Sheriff's office has concurrent jurisdiction within the city limits and as such, may from time to time, investigate activities.

3. Long duration—more than three hours or where full scale assistance may be required. The on-duty supervisor should notify the Chief of Police through the chain of command.

D. Any long-term support between the agencies should be coordinated in advance by the chiefs.

2. Details pertinent to the problem or circumstance; and
3. The types of assistance or resources required and, if known, the length of time it is anticipated the assistance will be needed.
